

# Reconstructie meervoudige perforator VDS

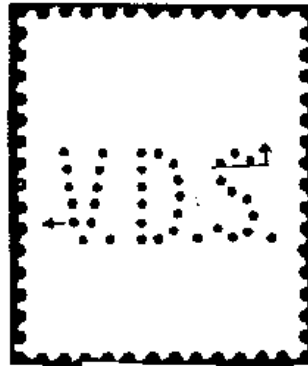

*(Nolco Oosterhagen; uit: Perfinpost nr. 72, februari 2005)*

Hierbij hoop ik aan te tonen dat het bij **Van Der Schoot** gaat om een **vijfvoudig** stempel.

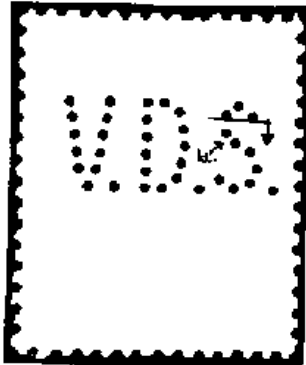

- Pons 1:        D7 naar boven  
                  S5 + S6 + S7 in één lijn  
                  S10 hoger t.o.v. S8
- Pons 2:        V4 naar links  
                  D6 en D7 op gelijke hoogte  
                  S10 hoger t.o.v. S8
- Pons 3:        brug S6-S7 klein  
                  S10 lager t.o.v. S8
- Pons 4:        brug D1-D2 klein
- Pons 5:        V4 lager t.o.v. V8  
                  brug S3-S4 klein

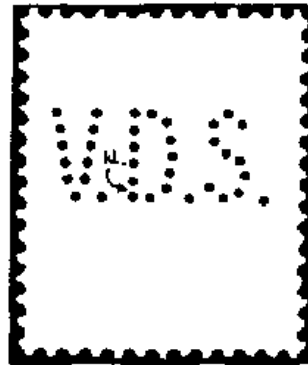

pons 1

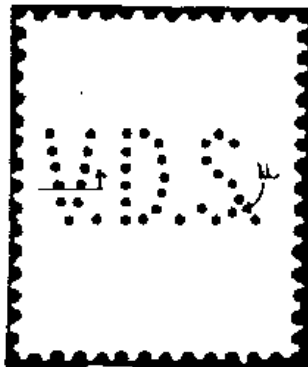

pons 2

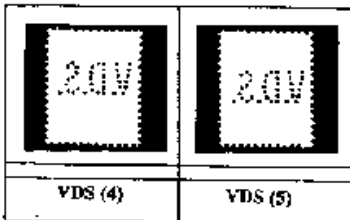

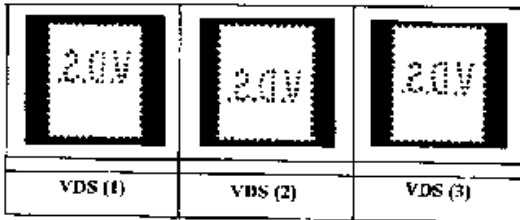

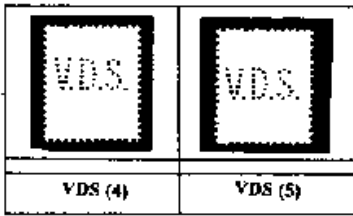

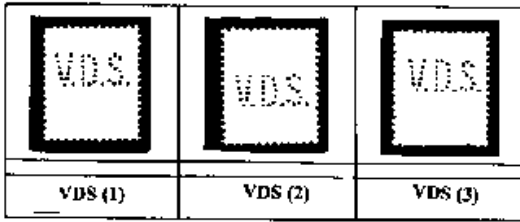

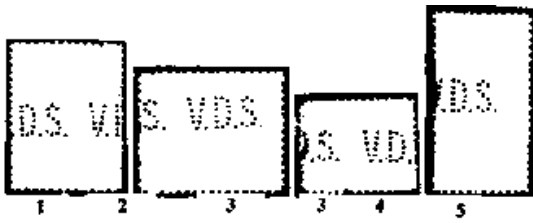

pons 3

pons 4

pons 5

In voorbereiding: F en LSA
